

"Do not glamorize evil things"

10/16/25

Lust, obsession, addiction
Idolizing activities
Graphic movies
Serpent tongues
Uncontrolled minds
Angered actions
Unforgiveness
Shackled by fear
Untold secrets

Be careful what you worship-
Be careful what you idolize and make a priority-
Be careful what you support and give light to.

Be held accountable.
Make sure your temple is clean.
Do not miss out on the "Promised Land."
Do not become a pillar of salt.

Our actions will be questioned-
Our actions will decide our fate,
Here and now, in this eternity-
Our actions are watched by God.

A simple thing might be huge.
A mustard seed of faith can do wonders,
What does a mustard seed of willful and wrongful actions do against God's Kingdom?

Why would He give us more,
If we can't act correctly with what has been given already.

We have been called for more,
We are set at a higher rate of accountability.
God will judge accordingly.

If you need direction, look to Him, His word, and the people He has placed in your life.
You are in control of your own actions and thoughts.
If you know you need to change to become physically, spiritually, or mentally healthier,
Then do it.

No excuse is great enough to justify an action that goes against God's written directions and His explicit guide to life.
This is a reminder and warning that if we are going to become the people and the Kingdom that God designed and created then we must stand against the world and what it says is okay to do and become.

The world has glamorized evil things and it's time to teach what God intended for it to become.
The best way to teach is by example and our actions.

If we want more for the Kingdom then we must do more for it. It doesn't mean we judge others and their decisions. It means we're making room for God to move through us because we are expecting prosperous gifting and the development of it in others.

If we are expecting promises to be fulfilled, prayers to be answered, and to see miracles, signs, and wonders; then we must accept that God is expecting more from us. We must abide by His laws with no excuses.

Abide completely and maybe we'll see more glimpses of heaven.
