"WHERE DO YOU FIND YOUR VALUE?"

Do you find your value standing on a scale?
Do you find it in the paycheck you receive on Fridays?
Do you find it with the brands that line the clothes you wear?
Do you find it in the words others speak about you?
Or do you find it at the foot of the cross?

He sees your value.
He knows your worth.
He created you;
The one who does everything with purpose, craftsmanship, and
artistry.
You are loved by Him.

Seek your value in Him;
His words,
His visions,
The Holy Spirit moving through you.

See the value He sees in you.
The "I Am Who I Am." (Exodus 3:14)
The one who is unchanging.
The one who sacrificed His most beloved son for you.

That sacrifice is where you should find your value.
That love is why you should know your worth.
Your God and His word is why and how you should live your life.

No more seeking things.
No more focusing on things.
We will seek and focus on Him.

When our need is only Him,
We can expect great things.
